I-25/84th – 104th Subcommittee

- What are CDOT's concerns with recent EA?
- Is there a new project scope being considered?
- What's the estimated cost for full improvements (without including the general purpose lanes)?
- The CDOT 10 Year Plan designates this project at a \$110M cost (unfunded) in the 5-10 year horizon. How does this project move up with a more accurate project cost?
- How to find funding buckets?
- Next Steps
 - Meeting with RTD Directors, GM – Elected Official level conversation
 - Meeting with ROADIS P3 Proposers
 - Meeting with Colorado Motor Carriers
 - Meeting jointly with North I-25 Coalition
 - Meeting with State Legislators, Congressional Reps., etc.
